0km Sunshine      4km Noosa Hill      7km Hastings St      12km Gympie Tce

16km  
Tewantin

12km  
Gympie  
Tce

7km  
Hastings

0km  
Sunshine  
Beach

## Directions

From Castaways the cycle path continues to Sunshine Beach it then diverts back towards David Low Way. From here you can skirt the National Park on the right or cross and go through to Noosa around the Keyser Conservation Park. Noosa has a number of bike paths and can it be easy to get lost. From Noosa Junction there is limited bike path along the right hand side however it is usually easier to avoid pedestrians by using the marked bike area of the road going over Noosa Hill and down into Hastings St. Turn left onto Noosa Pde to go towards Gympie Tce and the Noosa River for a great Riverside path opposite the restaurants.

## CYCLING SAFELY

- Always wear a suitably fitted helmet
- Wear bright clothing
- Obey all road rules
- Always keep left and give way to road traffic and pedestrians
- Dismount bike to cross roads
- Avoid riding at times of low visibility
- Check brakes and wheels regularly

Noosa River Foreshore

## Points of Interest

- Noosa National Park - One of the best coastal walking tracks in Australia
- Hasting Streets - shopaholic and cafe culture hub of the sunshine Coast
- Gympie Terrace - A great place to unwind and play with the kids in the park
- Noosa River - Have a ferry ride or kayak and see all the million dollar pads
- Noosa Triathlon Course - Follow Noosa/Cooroy Rd and turn up Sunshine Road for a great road ride
- Tewantin Forrest Park - Great Mtn Biking tracks
